Den Leader Training / Youth Protection Training

It's that time of year again. All registered Adult Leaders (Den Leaders, Committee members, etc) need to complete youth protection training.

Go to <https://my.scouting.org/> to complete the training.

Pack Campout

We are confirmed for Laird Part August 19th – 20th. Luke is going to speak with the Forest Service Ranger and reserve the group camping tent site area. If you plan to take a RV Trailer and need a space please

let Luke now ASAP. Drinking water has been restored at Laird Park in case you knew it was broken earlier. We may be doing a service project. Luke will send out an email with more details on what to bring such as gloves, etc. Luke will also try to put together a rough itinerary for the camp out.

There is no need for the Scouts to bring your Parade / Class A uniform. Bring your Pack 325 outing shirt. If you need one please contact Luke.

District Popcorn Kick-off & Training

Our popcorn Kernel David Morse has asked to step down this year as the Popcorn Kernel and allow someone else the opportunity to serve the Pack as the Popcorn Kernel. We thank David for his excellent service to the Pack. David will be moving on to help us with Pack Recruitment.

We need to identify the popcorn kernel soon. There is a training meeting August 28th in Lewiston that the new kernel will need to attend. David has offered to help show the new kernel the ropes so don't think you are on your own with this.

Back to School BBQ

McDonald, Lena Whitmore and the Nazarene Church are holding their annual Back to School BBQ August 28th. We are looking for adult volunteers to turn out at these events with Scouting information. Setup a tent, dress in uniform and hand out Scout Join flyers and answer questions as they come up.

August Pack Meeting

Our first pack meeting is August 24th. Please bring a cash or check made out to Pack 325 for \$50.00 for annual dues.

Combine Pack 326 (St. Mary's) with Pack 325

St Mary's Cub Scout Pack only has two Den's. A Wolves and Webelos Den. Alex is going to speak with the cubmaster and see if they would be interested in joining Pack 325.

Pack Recruiting Night

David is taking the lead on Pack recruitment. We have a flyer that we would like to have up on Tri-States Billboard advertising our join night. More details to come on this.

Den Reports & Concerns

Additional Thoughts / Ideas / Concerns

It was brought up that if you have an old Cub Scout Handbook for the new Scout program that you no longer would like to keep the Pack will collect it and make it available for a future Scout that may not be able to purchase a new book.
